Structure Wilkinson, Charles, House (George E. Angell  
House)

Red brick from Kanarra, one-and-a-half stories, gabled roof with three "Dixie" dormers across front. Entrance has sidelights and transom. Built c.1876 by Samuel Worthens and Sons of St. George. Similar to William Stirling House in Leeds. Vacant and deteriorating. 1 ext. photo (1968); HABSI form (1968).

Card prepared March 1975.
